GUARANTEES A pH NEUTRAL FLOOR

The specially selected and blended raw materials in Shinline Floor Prep were chosen for their ability to efficiently eliminate any alkaline residue left on flooring after stripping.

TIME AND LABOR SAVER

Shinline Floor Prep leaves floors conditioned and film free... ready for application of seal and finish. No labor intensive flood rinsing is required after the stripping or neutralizing procedure.

YOUR FLOOR'S INSURANCE POLICY

Shinline Floor Prep allows deep penetration of seal and better bonding of finish. As a result, floor finish is more durable and finish life is extended.

VERSATILE

Use it to neutralize hard water deposits and dish wash detergent build-up on quarry tile. Eliminate urine salts on restroom floors. Use Shinline Floor Prep to remove extreme ice melt track-in.

DIRECTIONS FOR USE

Some individuals may be sensitive to ingredients in this product. Before using, read product label and SDS. Wet floors may be slippery. Prevent pedestrian traffic with signs or barricades.
