

CRC Industries NZ, Auckland NZ

I. Product Description

CRC Ultra Gloss is designed to gently clean your car's paint and keep it looking like new. The premium foaming gel safely loosens, lifts and removes dirt and road grime, leaving a brilliant shine.

CRC's unique Ultra Gloss formula is safe to use on all paint especially new and recently waxed surfaces. Unlike ordinary car wash and household detergents, it cleans without stripping off wax or dulling the paintwork. *CRC Ultra Gloss* is perfect for frequent use and car enthusiasts.

CRC Ultra Gloss formula is environmentally friendly – phosphate free and biodegradable.

II. Features & Benefits

- Premium foaming gel formula - Gently cleans & shines
- Removes tough dirt, road grime, bugs and bird residue.
- Safe on all painted surfaces
- Keeps your car looking like new
- Ideal for frequent use
- Enhances the shine of new and recently waxed paint surfaces
- Streak-free finish
- Will not strip off wax protection
- Does not dull your paintwork
- Will not leave water spots on glass or paintwork
- No build-up
- Gel solution
- Biodegradable – Phosphate free and biodegradable
- Made in NZ

III. Application and Directions**Preparation:**

- Pour 30mls (approx. 3 capfuls) of *CRC Ultra Gloss* into a clean bucket.
- Fill bucket with water to create foam.
- Hose off any loose dirt or mud.

Application:

- Using a sponge, soft cloth or wash mitt, wash in sections.
- Hose off *CRC Ultra Gloss* after each section is cleaned.
- Chamois to dry for the best result (including windows).

Handy Hints: To avoid streaking, wash your car in the shade. Rinse sponge or cloth frequently to remove debris that could scratch the paint. *CRC's Ultra Gloss* special formulation ensures dirt and grime sinks to the bottom of the bucket – so it will not transfer back onto your car.

Environmental Information:

Phosphate free, biodegradable
