

Dahle 507

Personal Rotary Trimmer

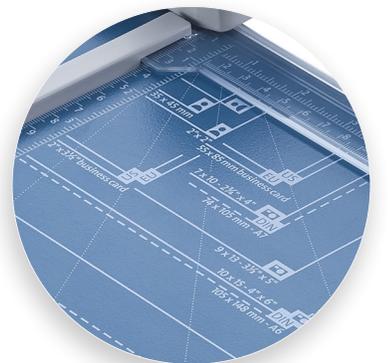

The Dahle 507 Personal Rotary Trimmer with a 12" cut length is lightweight and portable for just about any application. It features a ground self-sharpening blade that cuts in both directions, a triangular aluminum guide bar for strength, and an automatic clamp to prevent shifting. This German engineered cutter is ideal for trimming paper, photographs, and cardstock.

Features | Benefits

- Self-sharpening blade cuts in both directions
- Ground steel blade is encased in protective housing for safety
- Automatic clamp holds work securely and prevents shifting
- Sturdy metal base has non-slip rubber feet
- German engineered for precision and accuracy
- Triangular aluminum guide bar for strength

Warranty

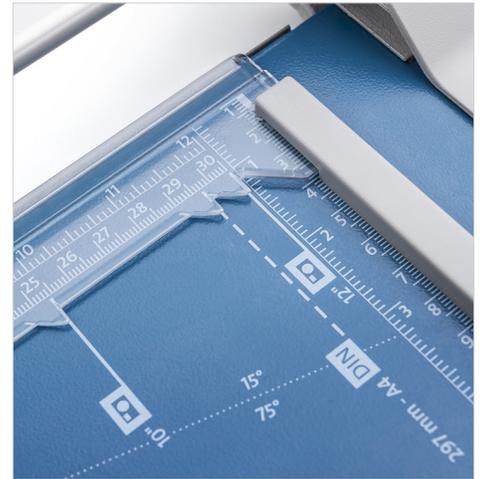

With a self-sharpening blade and a sturdy metal base, this precision cutter is ideal for trimming paper, photos, and cardstock.

Triangular aluminum guide bar keeps cutting head straight and stable while trimming.

Automatic clamp applies gentle pressure to prevent your work from shifting.

Metal base provides a stable cutting foundation that won't warp or crack.
