

RESOLVE®

High Traffic Area Carpet Foam Cleaner

Resolve® High Traffic Carpet Cleaner Foam has a new and improved formula with a special conditioning ingredient to clean, freshen and soften the busiest areas of your facility. The new formula removes more dirt versus the previous Resolve® High Traffic Foam formula. It safely cleans, deodorizes & helps prevent future soils. This foam makes carpet cleaning super easy! It is safe to use on wool, nylon and stain-resistant carpet.

Features & Benefits

- High-traffic & large area carpet cleaner that cleans, freshens & softens
- 3X more dirt removal than vacuuming alone!
- Great for: Ground-in dirt. Great for those frequently used areas like stairs, hallways, area rugs and more
- The powerful Odor Stop technology discourages pets from re-soiling area

**RESOLVE®****High Traffic Area Carpet Foam Cleaner****Use Instructions****Before Cleaning:**

Vacuum carpet thoroughly to remove loose dirt. Test a small, hidden area for colorfastness and examine when dry. If color's affected do not use. For upholstery, look for manufacturer's cleanability code tag. Use on fabrics coded WS or W.

- Shake well.
- Spray foam cleaner onto surface of carpet.
- Scrub if desired.
- Let sit for several minutes.
- Vacuum foam from carpet.
