

# NICOR<sup>®</sup> OUTDOOR

## LED DUSK TO DAWN CETUS - ODL3

The Cetus LED Dusk to Dawn is an invigorating new take on a traditional barn light. Next-generation design combined with Single CCT and Selectable CCT capabilities makes Cetus stand out from the rest. The ODL is an economical and efficient lighting solution for general purpose security and area lighting, and easily installs to a wall or on an extension pole (included).

- Over a 10% increase in efficiency (version 2 to 3)
- Now offered in a 4 CCT select model
- Now meets DLC 5.1 Premium listing
