

PQQ-10[®]

Coenzyme Q10 and Pyrroloquinoline Quinone

- BioPQQ[®] is manufactured in Japan using a patented fermentation process to enhance absorption*
- PQQ, considered a novel cofactor with antioxidant and B vitamin-like activity, supports the biosynthesis of nerve growth factor (NGF), a key protein involved in the growth and survival of neurons*
- PQQ and CoQ10 work together to promote antioxidant and mitochondrial health, providing multifunctional support for cardiovascular and neurological health*
- Formulated with vitamin E derived from non-GMO sunflower lecithin

Code: 9271
Size: 60 Softgels
Actual Size: 23 mm x 8 mm

PRODUCT SUMMARY

PQQ and CoQ10 are synergistic nutrients which help modulate cellular signaling pathways, provide antioxidant activity, and support mitochondrial function.* CoQ10 may help support cardiovascular, neurological, and reproductive health, helping maintain healthy sperm.*^{1,2} CoQ10 may also help support mitochondrial ATP production and cellular respiration.*³

PQQ is a novel biofactor – known to support multiple cellular pathways and help maintain the normal production of nerve growth factor (NGF).* PQQ helps maintain mitochondrial function by contributing antioxidant activity and supporting mitochondrial biogenesis.*⁴ BioPQQ is considered a novel cofactor with antioxidant and B vitamin-like activity and is fermented to enhance absorption.*⁵

Taken together, PQQ and CoQ10 may help support and maintain normal cognitive performance, mitochondrial, neurological, and cardiovascular health.*^{6,7}

Supplement Facts

Serving Size 1 Softgel

	Amount Per Serving	% Daily Value
Calories	5	
Total Fat	0.5 g	1%‡
Vitamin E (as natural form <i>d</i> -alpha tocopherol) (Natural- <i>e</i> TM) (from non-GMO sunflower seed oil)	3.35 mg	22%
Coenzyme Q10 (microorganism)	200 mg	**
PQQ (BioPQQ [®])		
Pyrroloquinoline Quinone Disodium Salt	20 mg	**
Providing Pyrroloquinoline Quinone	17.65 mg	**

‡ Percent Daily Values are based on a 2,000 calorie diet.

** Daily Value not established.

Other ingredients: Organic flaxseed oil, softgel (gelatin, glycerin, purified water, carob), yellow beeswax, non-GMO sunflower lecithin.

Serving Size: 1 Softgel

Servings per Container: 60

Suggested Usage: 1 softgel per day or as directed by a health care professional.

Caution: Consult your health care professional prior to use if you are pregnant, trying to become pregnant, breastfeeding, taking medication, have a medical condition, or anticipate surgery. Keep out of reach of children.

Drug Interactions: Although existing evidence has not found an interaction, CoQ10 resembles vitamin K structurally, potentially interfering with the anticoagulant warfarin. Close monitoring of the INR is recommended with CoQ10 introduction in these patients.⁸

Contains no artificial preservatives or sweeteners; no starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, salt, tree nuts, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
