CONTINENTAL

MULTI-ZONE

28,000 & 36,000 BTU

Embrace Weather With Ease

Excel in chilly winters with seamless operation in temperatures as low as -30°C / -22°F, ensuring worry-free performance in harsh climates. Effectively cool up to 50°C/122°F, maintaining optimal comfort during summer heat.

Seamless Comfort

Restores and resumes original settings automatically upon power restoration.

Multi-Zone Comfort

Versatile 3 & 4 zone heat pump options providing customized comfort across multiple zones.

FEATURES

- BTU Range: 12,000 - 39,000
- Wi-Fi Capable
- Equipped with a stylish wireless remote controller featuring a Follow Me feature and intelligent dehumidification control, providing personalized comfort for the occupant with ease.
- Auto Defrost
- Effortlessly customize settings like 'Sleep Mode', LED brightness, room temperature, and power control, all while enjoying the convenience of a remote that intelligently tracks your movements and core temperature.

Energy Star Rated

Bright Choices for a Greener Tomorrow

Neep Certified

Lighting the Way to Energy Excellence

Quiet Operation

Sound levels are reduced for a quieter and soothing heating and cooling experience.
