

MADISON SWIVEL GLIDER

Instruction Manual

Congratulations!

You are now the owner of a Babyletto product...a line of modern baby furniture that redefines the nursery. Babyletto's products are designed with both style and functionality in mind, and we hope it becomes a source of pleasure for you and your family. Quality material, workmanship and pride have gone into these products. Proper assembly is important to ensure a safe and comfortable end result for your baby. Please read all instructions before assembly, and keep instructions for future use.

The Product and Manufacturing Process:

Babyletto products are made from sustainable woods wherever possible and also from high-quality wood veneers. The primary material used in our products is Paulownia wood which is harvested from plantations and renewed every 10-12 years. Zero-grade MDF, containing well below the regulated limit of formaldehyde, is used sparingly in components of our products to achieve our signature carvings and single board slat cutouts. All paints, finishes and glues are low-VOC. Our products are tested on a frequent basis to ensure that all coatings and finishes comply with U.S. and Canadian heavy metals requirements.

Each Babyletto product is a unique piece crafted largely by hand. We use a specialized machinery process to create our hallmark carvings and each piece is constructed and lacquered by hand. Our lacquering process involves over a dozen steps to sand and polish the furniture to achieve our glossy finish. With proper care and assembly, your Babyletto products will be a part of your family for years to come. Please note that due to the handcrafted nature of our products and our use of solid woods, each piece is unique and may contain irregular qualities, such as natural markings, miniscule burrs, or slight discolorations. These natural characteristics are inherent in wood, are not considered manufacturing defects and do not merit replacements.

Maintenance and Cleaning:

To preserve the hand-crafted quality of Babyletto furniture, we recommend using a cotton cloth and a non-toxic cleaner. Periodic polishing or oiling on wood stains will help to maintain the rich wood tones. For our upholstered products, we recommend using water to clean suede products and light foam cleaner for all other fabrics.

If your child is teething, some furniture's finish may be affected. Be assured that our low-VOC lacquers, finishes and glues comply with applicable regulations and standards. Touch up kits and replacement parts are available for purchase upon request by contacting Babyletto at:
323. 728. 8988

Important Note:

Improper assembly can result in damage to your furniture or cause harm to your child. Proper assembly is critical to ensure a safe and comfortable end result. Please read all instructions before assembly and keep instructions for future use.

Thank you for purchasing Babyletto. For any questions or assistance, please contact us at 323. 728. 8988. For additional information on our Purchase Terms and Conditions, please visit www.themdbfamily.com. Your authorized Babyletto retailer will also be happy to assist you.

WARNING

- Failure to follow these warnings and the assembly instructions could result in serious injury or death.
- Read all instructions before assembling this product.
- Keep instructions for future use.
- FALL HAZARD – To prevent death or serious injury, always keep child within arm's reach.
- Check this product for damaged hardware, loose joints, missing parts or sharp edges before and after assembly and frequently during use. DO NOT use this product if any parts are missing, damaged or broken. Contact Babyletto, Inc. for replacement parts and instructional literature if needed. DO NOT substitute parts.
- Assembly tool required: Phillips screwdriver (not included).
- Tighten all screws securely at each step of the instructions. Check frequently to be certain they remain tight and secure.
- If refinishing, use a non-toxic finish specified for children's products.
- This product contains small parts. Keep small parts out of children's reach during assembly.
- Properly discard all packaging materials after assembly is complete.

ONE YEAR LIMITED WARRANTY:

We will replace any missing parts at the time of purchase or any defective item within a one year period from the date of original purchase. Please keep your receipt so that we may process your warranty request. This warranty only covers new units with original packaging and ownership, and is not transferable. It does not cover any used, secondhand or demo models.

This warranty does not cover any damaged or defective parts that result from installation and assembly, normal wear and tear, abuse, negligence, improper use or alteration to the finish, design, and hardware of the rocker. The specific legal rights of this warranty may vary from state to state. Some states do not allow any exclusion or limitation of incidental damages. Some states do not allow limitation on how long an implied warranty lasts.

Registering your product is even easier than before. You can register your product on our website at : www.themdbfamily.com
