## Extraction Rinse SC

Removes hard water deposits and neutralizes alkaline residue on synthetic and wool carpets.

### Features

- Removes hard water deposits and neutralizes alkaline residue from previous cleaning
- Slightly acidic product keeps extractor jets from clogging

### Benefits

- Safe to use on all colorfast carpets
- All of the no-hassle benefits available with RTD dispensers
- Leaves no tacky residue
- Makes salt residue more soluble, meaning less passes to remove winter salts

### Applications

- Strong enough for advanced generation carpet fibers at low dilution, yet delicate enough for wool carpets at high dilution

# Extraction Rinse SC

## Use Directions

### Subtitle

- For best results, always vacuum carpet first.
- Fill extractor solution tank with Extraction Rinse SC solution from dispenser.
- **Light duty:** As needed, pre-spot with the appropriate spotter. Extract following equipment maker's operating instructions.
- **Medium to Heavy Duty:** As needed, pre-spot with the appropriate spotter. Fill pressure sprayer with Soil Release/Bonnet Buff solution on traffic lanes and soiled areas of carpet and allow to dwell for a few minutes.
- Before solution dries, extract carpet in normal manner.

**Note:** If being used for the first time, test for colorfastness in an inconspicuous area before use.

## Product Specifications

Description	
Color/Form	Clear liquid
pH	3.24 (Concentrate) 4.24 (Use Dilution 1:256)
Scent	Fruity floral
Shelf Life	2 years

## Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at [www.sealedair.com](http://www.sealedair.com) or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
