

Over & Under® ProX

Floor Sealer

Over & Under® ProX Floor Sealer penetrates, seals and protects all finishes used on resilient flooring.

Features & Benefits

- Enhances the appearance of your floors by penetrating, sealing and protecting your finishes, extending the life of new and older flooring
- Improves performance of floor finishes by providing better adhesion, leveling and enhances gloss of all floor finishes
- Easy to apply and easily removed with all Diversey strippers
- Non-solvenated, suitable for use on wide range of flooring
- Product contains no intentionally added PFAS

Applications

- Sealer for use on all finishes used with resilient flooring

Over & Under[®] ProX

Floor Sealer

Use Instructions

- Blockade areas to be stripped or finished. Floors will be very slippery until dry.
- Strip floor using a Diversey stripper per the instructions on the stripper label.

Coating

- Apply 1 to 2 coats of Over & Under[®] ProX floor sealer using a clean mop.
- Allow 30 minutes drying time between coats. Temperature, humidity and ventilation may affect drying time. Allow finish to cure for 24 hours before burnishing.
- Apply 1 or more coats of recommended floor finish according to label directions.

Burnishing

- Dust mop or sweep floor.
- Clean the floor with mop or automatic scrubber using the recommended cleaner according to label directions.
- Maintain the finish gloss using periodic recoating, spraybung or burnishing according to finish label.

Removal

- Remove using recommended stripper according to label directions.

For Best Results

- Do not dilute.
- Do not use on surfaces colder than 50 degrees F/10 degrees C.
- To avoid contamination, do not return unused product to original container.

Note: Floors will be slippery when wet or contaminated with foreign materials. Promptly clean up spills and foreign materials. Not intended for use in outdoor areas. Meets ASTM D-2047 requirement for slip resistance.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
