DIRECTIONS FOR USE

Some individuals may be sensitive to ingredients in this product. Before use, read product label and SDS.

1. Remove as much gum residue as possible with a scraper or dull knife.
2. Point nozzle at 45° angle. Using short, quick bursts, spray until gummy substance is frozen solid.
3. Chip or scrape off frozen matter using a putty knife, dull knife or scraper.

DANGER: Extremely flammable. Vapor may cause flash fire. May cause frostbite if sprayed in eyes or on skin. Harmful if inhaled. Intentional misuse by deliberately concentrating and inhaling contents can be harmful or fatal. Contents under pressure. Keep away from heat, sparks and flame. Use only in adequate ventilation. Do not use in a confined area or where there is a possibility of vapor build-up. Do not smoke or light matches while using. Do not use on humans or animals. Avoid contact with eyes, skin and mucus membranes. Avoid breathing product vapors.

STORAGE AND HANDLING: Do not expose to heat or store at temperatures above 120°F (49°C) as container may burst. Avoid prolonged exposure to sunlight. Do not puncture or incinerate container. Dropping container may cause bursting.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.
