## Lumo Color Select LED Mirror

By Eurofase

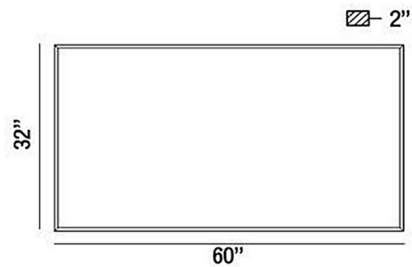

### Description

The Lumo Color Select LED Mirror offers a clean aesthetic and bright LED lighting emitted through white acrylic diffusers. Using the sleek touch buttons on the front, you can turn the light on/off, adjust brightness level and color temperature, and turn the defogger on/off. The mirror also has a memory function, where it returns to the last light settings when turned off and on using a wall switch.

Shown in anodized silver / white
