

CPH430PW USB SuperSpeed Hub

Add Hi-Speed USB 3.0 ports to your computer for quick and easy access.

The CyberPower CPH430PW USB 3.0 SuperSpeed Hub with 4 USB ports provides high speed plug and play expansion for 4 USB connected devices using the latest USB 3.0 data transmission speeds up to 5 Gbit/s (ten times faster than USB 2.0). The 3.6A AC power adapter ensures sufficient power for attached peripherals. The hub can be mounted on almost any smooth surface using the included suction cup.

The CPH430PW is backwards compatible with computers and peripherals that use USB 2.0 data transfer speeds.

A Limited Lifetime Warranty ensures that this product has passed our highest quality standards in design, assembly, and material or workmanship.

Typical Applications

- Tablets
- Smartphones
- Flash Drives

Features

- 4 USB Ports
- USB 3.0 SuperSpeed Hub
- AC Power Adapter – 5V / 3.6A
- Suction Cup Mounting
- PC & Mac Compatible
- Limited Lifetime Warranty

CPH430PW USB SuperSpeed Hub

Add Hi-Speed USB 3.0 ports to your computer for quick and easy access.
