

**Figure 1: Trend Analysis**

This figure illustrates the trend of the data over the period from 2000 to 2015. The data shows a significant increase until 2010, followed by a decrease. The peak value is approximately 140 in 2010.

## ANALYSIS

The analysis shows that the data exhibits a clear upward trend until 2010, after which it begins to decline. This pattern suggests a cyclical or seasonal component in the data. The peak value of approximately 140 in 2010 is a key feature of the trend.

**Figure 2: Trend Analysis**

This figure illustrates the trend of the data over the period from 2000 to 2015. The data shows a significant increase until 2010, followed by a decrease. The peak value is approximately 140 in 2010.
