DIVE:

- Taught by Dr. David Shormann.
- Available in CD-Rom format or digital download with lifetime access (digital download recommended).
- Includes Bible verses & Biblical encouragement.
- Compass version available with no Biblical content.
- Available for 5/4 through Calculus.

DIVE & Saxon Teacher:

- Both have a "whiteboard" display on computer screen where numbers appear as teacher explains concept.

Saxon Teacher:

- Taught by an experienced teacher.
- Digital license (one year).
- Follows textbook closely (adding occasional helpful information and strategies).
- Works same problems as shown in textbook.
- Provides solutions to every practice problem, problem set, and test.
- Available for 5/4 through Advanced Math and Intermediate 4 and 5, Algebra I and II (4th edition) and Geometry.

Features of All Tutorials:

- Teaching segments parallel the lessons in textbook.
- Work sample problems.
- Available in a digital format*.
- Does not take the place of studying the lesson.
- Not interactive instruction.

DIVE & Mastering Algebra:

- Taught by Saxon experts.
- Uses different problems in examples.
- Teaches each lesson but not directly from the textbook — adds helpful instruction connecting new concepts to previous concepts.
- Includes email support with the instructor.

Mastering Algebra:

- Taught by Art Reed.
- Video presentation (students see teacher).
- Available in USB or 2-year streaming.
- Available for 7/6 through Advanced Math/Precalculus.
