

Diversey™

suma® Ultra

L2

Mechanical Warewashing Detergent

Non-chlorinated machine dish liquid specially-formulated to provide excellent soil removal in soft water conditions. It contains a blend of scale control agents. Not for soft metals.

Features & Benefits

- Cuts through grease and dried-on foods
- Prevents scaling of items and machine parts in soft water
- Soil suspension agents prevent food and stains from redepositing onto ware
- Highly concentrated formulation gives greater economy in use, fewer container changes
- Low-foaming action for more efficient and effective operation

Applications

- Do not use on aluminum or other soft metals
- Auto-dosed
- Ideal for soft water conditions

Suma[®] Ultra L2

Mechanical Warewashing Detergent

Use Instructions

- Use 1.0 mL to 3 mL (0.13 - 0.26 oz. / gal.) per liter of water at 65°C to 75°C (150°F to 165°F)
- Feed automatically into the dishmachine using a Diversey dispensing system
- Contact your local Diversey representative for correct set up and operating conditions for your operation
- Store at room temperature and avoid freezing
- Do not use on aluminum or other soft metals
- Use as directed by your Diversey representative
- **For Food Plant Use:** Avoid contamination of food during use or storage. Cookware or utensils and other equipment and surfaces subject to direct contact with food must be thoroughly rinsed with potable water prior to re-use.

Suma [®] Ultra L2	1 x 330 gal. / 1249 L Tote	1:500–1:1000	100951720	

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
