

# Complete<sup>®</sup>

## Floor Finish

Durable finish that reduces the need to strip and refinish - responds beautifully when spray buffed.

### Features & Benefits

- Low maintenance, high durability and great finish value
- Easy to apply and recoat with great leveling
- Excellent traffic and mark resistance even on older floors
- Easy to clean, maintain and strip with matched Diversey products
- Solids content 17%

### Applications

- For use on resilient and most hard surface flooring. A sealer may be required for highly polished stone surfaces, glazed ceramic tile, luxury vinyl tile, and some rubber floors.
- Not intended for use on cork, wood, or bamboo flooring

### Use Instructions

- Blockade areas to be stripped or finished. Floors will be very slippery until dry.
- Strip floor using recommended Diversey brand stripper according to label directions
- Apply 2-3 uniform coats using a clean mop. If higher gloss is desired apply additional coats.
- Allow 40-50 minutes drying time between coats

### Maintenance

- Dust mop or sweep
- Clean floor using recommended Diversey brand cleaner according to label directions
- If desired, spraybuff using recommended Diversey brand floor maintainer to enhance gloss

### Before Recoating

- Dust mop or sweep
- Deep scrub floor using recommended Diversey brand cleaner according to label directions
- Apply 1-2 coats using a clean mop

### Removal

- Remove using recommended Diversey brand stripper according to label directions
