

MAGNETIC MULTI LIFT

Quick and Easy Pick-Up

Powerful ceramic magnets are encased in a durable, lightweight plastic housing which makes it easy to transfer bulk metal pieces, including nails, screws, nuts, washers, eyebolts, and much more.

With a long, 30-inch handle, this tool is ideal for picking up objects out-of-reach, without having to bend over. A simple pull on the easy-grip handle releases the collected debris

Features

- Prevents injuries from sharp metal objects
- Smooth uninterrupted sides allows for fast burrowing
- Convenient, easy-to-grip handle for one-handed release
- Picks up 1.4 pounds of 8-penny nails
- Ideal for warehouse, workshop, garage and factory use
