Directions for Use

One scoop of Suprox Booster equals one ounce. For use with carpet extractor: Add one or two ounces per gallon of water to extractor along with Clean Action II or HD Extraction.

For use as a carpet spotter and deodorizer: Dissolve 1 to 2 ounces of Suprox Booster in one quart of warm water. Spray solution on spot, wait 2 minutes for contact time, then rinse.

To remove mild yellowing or darkening: Extract carpet with a solution of Suprox Booster mixed 4 ounces per gallon in extractor solution tank. Rinse with plain water.

Other uses: Cleaning grout - mix 2 to 4 ounces per gallon of water and apply to grout. Let stand for 10 minutes, scrub, then rinse thoroughly.

Laundry Presoak - add 2 ounce per gallon of warm water and soak linens overnight, then wash as normal. **Color Safe**

Bleach - add 2 to 4 ounces per 10 lbs. of dry linens in conjunction with laundry detergent then wash as normal.

Presoak for china and tableware - add 2 ounce per gallon of hot water and soak
