Clear, Coastal Resilience

Explore the Pacifica collection, where the toughness of waterproof flooring meets the authentic beauty and feel of hardwood. Inspired by the untamed beauty of this scenic Bay Area town and its iconic coastline, CALI's latest luxury laminate planks feature clear, smooth wood grains with an incredibly resilient construction. These floors capture the best of all possible worlds with unbeatable scratch resistance, natural-looking knots and grains, and a matte finish that mirrors the simple elegance of oak hardwood. Plus, with built-in acoustic padding, every step is quieter and more comfortable, providing a serene, stylish foundation for any space.
