114-Bottle Freestanding Single-Zone Wine Cooler

EL-100SBB

For sleek, stylish and sophisticated wine storage for your prized collection, the 114-Bottle Freestanding Wine Cooler by Vinotemp is the perfect solution. This single-zone wine cooler allows you to set the right temperature to provide optimum condition for up to 114 bottles of your wine collection. A conveniently located digital control panel makes setting the ideal temperature a simple task. Contemporary styling includes a black body and a dual-pane glass door. Vinotemp's Ouzo™ wine racks with black lip cradles your collection behind a glass door with stainless steel frame. Nine sliding shelves and a bulk storage section provide easy access to your storage space. The interior LED lighting creates a gorgeous display and makes it easy to find your favorite bottles. Stainless steel frame and door lock add to the style and functionality of this cooler. This cooler is designed for freestanding installation and best suited for medium sized wine collection.
