SAPPHIRE®

Sapphire 4Pour Wine Bar

SW643TZBLK

Protect, showcase and dispense your wine collection with the Sapphire 4Pour Wine Bar. Designed for luxury, this wine dispensing tower system offers storage for up to 64 bottles of Wine and 18 Mini Champagne/Sparking Wine bottles. Ideal for restaurants, bistros, cafes, and wine bars. Each storage zone's temperature options range from 50° to 65° and the champagne/beverage storage area is adaptable from 38° to 65° allowing for ideal preservation of any collection. Each wine storage zone can showcase 4 bottles and tap 2 bottles with the integrated dispensing system. The dispensing system is designed to use Argon Gas to preserve open bottles of wine for up to 6 months. Each bottle is tapped with an independent line. The double-paned tempered glass door with UV coating shields your wine from harmful light that degrades your wine. This tower system comes in sleek black glass with matching doors and a designer handle. The racks indie of the Four-Pour Wine Bar feature smooth glide hinges. The adaptable racking system has 10 stainless front wine racks with 2 display racks. Experience the perfect fit for your establishment's wine collection with the Sapphire Four-Pour Wine Bar. Covered by the Sapphire Two-Year Parts & On-Site Labor and Five-Year Compressor Parts Only Limited Warranty.
