

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

### Directions for Use

Hold can upright. Press button and spray a small area until wet. Use sparingly. Clean with one cloth and polish with a clean, dry cloth. The gloss is renewed and will be retained. The cleaning process is simple. No rubbing is required. Contains no acid or abrasive substances. Will not leave a powdery residue. Not to be used on cooking utensils, such as pots, pans, knives, forks or spoons. Do not allow overspray to get on floors since it will be slippery.

Formulated with a blend of cleaning solvents and fine oils for a superior cleaning job on your stainless steel. This product cleans, polishes and protects the surface without hard rubbing. Does not leave an oily residue. With regular care this product can help prolong the factory finish. Resists fingerprints, grease and water spatter.

### Features & Benefits
