

# PROTEIN SYNTHESIS

1. Transcription

2. Translation

3. Post-translational modification

4. Protein folding

5. Protein degradation

6. Protein transport

7. Protein signaling

8. Protein-protein interactions

9. Protein structure

10. Protein function

11. Protein synthesis

12. Protein synthesis

13. Protein synthesis

14. Protein synthesis

15. Protein synthesis

16. Protein synthesis
