

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

### Directions for Use

Do not dilute. For wall surfaces, spray on tile and grout, let stand for 5 minutes, agitate with soft brush, rinse with clean water. To conserve energy always use cold tap water.  
 NOTICE: Do not use with ammonia or bleaches. Do not use on marble, terrazzo, resilient flooring, aluminum, or galvanized metal.

A powerful, ready-to-use, tile and grout cleaner formulated with the cleaning power of Hydrogen Peroxide. Cleans tile and brightens grout. Can be used on most tile and grout surfaces, bathroom surfaces, and bathroom fixtures like sinks, toilets, and urinals. Pleasant, clean fragrance. Formulated for reduced toxicity to lessen the impact on environmental health, worker health, and building occupant health.

### Features & Benefits

- Versatile product saves time and money
- Cleans tile and brightens grout that is normally hard to clean
- Pleasant, clean fragrance to leave the facility smelling great
