3M™ Scotchcal™ Graphic Film
with Comply™ v3 Adhesive

IJ170Cv3

3M™ Gloss Wrap Overlamine

8418G

**Great value.
Smooth results.**

This film and overlamine combination
is designed to help you get the job done
on time and on budget.

3M™ Scotchcal™ Graphic Film with
Comply™ v3 Adhesive IJ170Cv3

- ▶ Value-priced cast film for trailers, box trucks, and vehicles
- ▶ Pressure-sensitive adhesive with non-visible air release channels for bubble-free installations
- ▶ Conforms to flat surfaces (with and without rivets), simple and moderate compound curves
- ▶ Removable*

3M™ Gloss Wrap Overlamine 8418G

- ▶ Thinner 1.2 mil cast vinyl film with a great feel for managing panels
- ▶ Glossy, “wet paint” look and excellent clarity
