

CRC Industries NZ, Auckland NZ

**I. Product Description**

*CRC Liquid Armour Low Sheen* restores and protects a number of surfaces including vinyl, wood, plastic, rubber, fibreglass, chrome, dashboards and wood. It forms a long lasting, non-greasy protective barrier on and under the surface, guarding against cracking, dulling, fading and UV damage.

Materials treated with *CRC Liquid Armour Low Sheen* repel water, receive long lasting protection and low sheen, regain lustre, life and colour. The anti-static formulation repels dust & dirt, while leaving a fresh leather scent.

*CRC Liquid Armour Low Sheen* should be sprayed onto a dry, clean cloth or similar, and not directly onto plastic surfaces. Not suitable for floors, stairs, fabric, two wheel vehicles, on vehicle pedals/grips/steering wheels and other surfaces where slipperiness may be unsafe.
