

BETTER FOR YOU

BLEND UP SOMETHING BETTER.

Today's customers are making selections that balance health and indulgence. Big Train® Blended Drink mixes support a healthy lifestyle but still feel and taste indulgent. Whether high-protein, carb-conscious or reduced-sugar, our low-labor, low-cost mixes satisfy demand and benefit your bottom line. Simply add milk, dairy alternative or water and ice to blend, pour and serve specialty drinks with big margins.

The term "low-carb" has grown
14%
over the last year.¹

Protein shakes on menus have grown
16.8%
in the last year.¹

FUNCTIONAL FEEL-GOOD REFRESHMENTS.

Stand out from the competition with the ingredients customers need and the flavors they crave – it's all about menuing healthy indulgence for them and profitability for you.

High Protein

Our line of high-protein frappés is made with calcium caseinate, a slow-releasing protein that keeps customers satisfied. With 20 grams of protein, only 130 calories and 1 gram of sugar, Fit Frappé drinks are a smart menu choice. With both coffee and non-coffee flavors, you can menu coffee alternatives, meal replacements or filling snacks.
