

Extraction Rinse SC

27

Extraction Rinse SC removes hard water deposits and neutralizes alkaline residue on synthetic and wool carpets.

Features & Benefits

- Effective removal of hard water deposits and neutralizes residue from previous cleanings
- Makes salt residue more soluble, meaning less passes to remove winter salt, leaving no tacky residue
- Versatile formula strong enough for advanced generation carpet fibers at low dilution, yet delicate enough for wool carpets at high dilution
- Slightly acidic product keeps extractor jets from clogging
- Dilution control allows for efficient and cost-effective cleaning
- WoolSafe approved

Applications

- For use as a powerful rinse aid
- Safe to use on all colorfast carpets

Extraction Rinse SC

Use Instructions

- For best results, always vacuum carpet first
- Fill extractor solution tank with Extraction Rinse SC solution from dispenser
- **Light duty:** As needed, pre-spot with the appropriate spotter. Extract following equipment maker's operating instructions.
- **Medium to Heavy Duty:** As needed, pre-spot with the appropriate spotter. Fill pressure sprayer with Soil Release/Bonnet Buff solution on traffic lanes and soiled areas of carpet and allow to dwell for a few minutes.
- Before solution dries, extract carpet in normal manner

Note: If being used for the first time, test for colorfastness in an inconspicuous area before use

| Technical data | Extraction Rinse |
|----------------|---|
| Certifications | WoolSafe |
| Color/Form | Clear, liquid |
| pH | 3.24 (Concentrate) 4.24 (Use Dilution 1:256) |
| Scent | Fruity floral |
| Shelf Life | 2 Years |

| Product | Pack size | Dilution | Product code | |
|---------------------|--------------------------------------|----------|--------------|---|

| Extraction Rinse SC | 2 x 2.5 L / 84.5 oz. J-Fill® Bottles | 1:256 | 903727 |  |

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
