# Barbera d'Alba

## *Superiore*

D.O.C. ITALY

2019 | UPC: 8-9465500145-7

### VARIETAL & REGION

Barbera d'Alba is a key DOC of Piedmont, in northwest Italy, famed for its tangy, cherry-like red wines made from Barbera grapes.

### ABOUT THE WINE

Lot 27 Barbera is made by the same acclaimed family winery that produces our Lot 26 Barolo. The grapes that go into this wine are harvested from vineyards of calcareous clay soils near the town of Monforte d'Alba. The grapes undergo a soft crushing followed by a temperature controlled fermentation using selected yeasts. The wine is matured in French oak for one year prior to release.

### TASTING NOTES

Complex and concentrated aromas of raspberry and black cherry with hints of toasted hazelnut, chocolate, and leather. The finish is long and filled with bright red fruit and toasted oak flavors.
