Applied to Life.™

Give yourself high visibility with great flexibility.

Add reflectivity to vehicles with corners and curves
using 3M™ Flexible Conspicuity Tape Series 913.

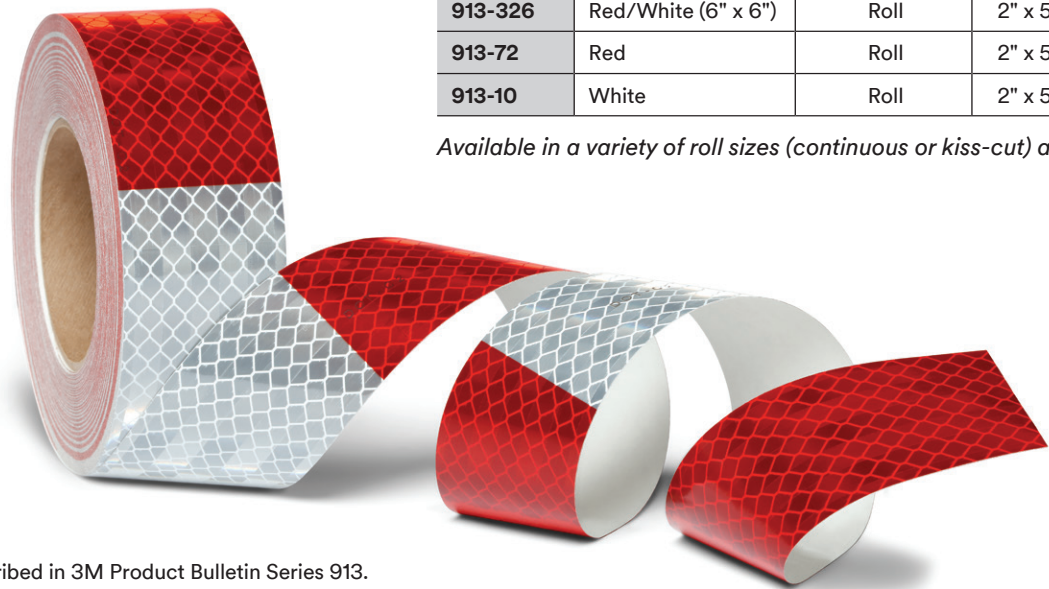

Easily add visibility to vehicles, trailers and
equipment of all shapes and sizes with
Series 913. It's thin and flexible, so it's
easy to cut and easy to apply, even
around corners and curves.

These bright tapes are UV durable
to last mile after mile in harsh
environments. They can also
be applied in temperatures
as low as 35°F—talk
about flexibility.

Meeting regulations. Exceeding expectations.

3M™ Flexible Conspicuity Tape Series 913 offer color properties and retroreflectivity values that meet the FMVSS 108 regulation. Plus, it gives you the flexibility you need to give your vehicles and equipment outstanding visibility.
