

## APPENDIX

### QUICK-INFLATE PUMP

Reorder **Nos. 10445-10446**

#### HOW TO QUICKLY INFLATE THE MATTRESS USING THE CPR VALVE & QUICK-INFLATE PUMP

1. This mattress includes a Quick-Inflate Pump and nozzle attachment.

2. Attach the nozzle to the pump as shown.

3. Align the air holes on the CPR Valve. Insert the Quick-Inflate Pump into the CPR Valve. Turn on the Pump. The mattress will rapidly inflate in around 7-8 minutes.
