Thermostat

## CT86 Thermostat

The Continental CT86 Thermostat is simple to use and includes distinct icons for each temperature pre-set. The CT86 offers three pre-sets – one for when you are home, sleeping or away. Setting up your pre-sets is easy, then simply select your preference through the click of a button and enjoy.

### Competitive Advantages

- Sleep Timer Feature allows you to set the number of hours you'll be asleep so it can automatically switch from Sleep Mode to Home Mode before you wake up
- Bright LED screen ensures settings are easy to view day or night
- In power outages it automatically switches to battery power to ensure comfort settings are saved
