

Safety

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

Directions for Use

Unfold towel and use rough side to scrub hands and surfaces. No need to rinse or dry hands. Discard after use.

Quick and Clean Multipurpose Hand Towels are waterless cleaners that cut through the toughest tar, grease, wax, ink, paint, lubricants, and adhesive. They are highly versatile and can be used for nearly any job, from cleaning tools to wiping hands to cleaning machinery and other surfaces. Unlike other products, the natural oils and emollients in these towels won't dry your skin. The non-scratching towel is abrasive on one side for tough soils and smooth on the other to wipe non-porous surfaces clean. NSF C1 Authorized.

Features & Benefits

Industrial strength wipes for tough soils like tar, wax and grease.

Natural oils and emollients are gentle on the skin.

Citrus-scented, residue-free, and quick drying.

Item Number & Unit of Measure

Item Number	HIL01179
Unit of Measure	70 Wipes/Container

Specifications

Color	Purple
Appearance	Premoistened Wipe
Fragrance	Citrus
Formula Type	Wipes
PH	5 - 7 Tested using
NSF_Certified	Yes
