59262 - Matte Silver Finish

The Cassius is a 52-inch damp-rated fan, making it perfect for any room in your home or office – including covered porches. The industrial design comes with reversible blades, so you can choose a soft wood tone for a gentle appearance or a metallic tone that gives the fan a consistent masculine look. The clean lines and exposed motor create a minimal presence with no frills, placing the focus on its superior performance.

FEATURES

- ETL Damp-rated for enclosed porches, covered patios, greenhouses, and more.
- Included pull chain allows for quick and easy on/off and speed adjustments
- Includes 3 reversible blades
- Motor size: 172 x 12
- 5" and 3" downrods included to ensure proper distance from the ceiling and optimize air movement at your preferred blade height
- ENERGY STAR® certified motor ensures superior energy efficiency with maximum performance to help save you money
- WhisperWind® motor delivers ultra-powerful air movement with whisper-quiet performance so you get the cooling power you want without the noise you don't
