

Stocking the FULL-SIZE HOUSEKEEPING CART WITH ACCESSORY BUNDLE

Rubbermaid Commercial Products' latest housekeeping cart design provides enhanced organization, greater storage capacity, and improved maneuverability, providing a solution that elevates efficiency and satisfaction for housekeeping professionals.

- 1** **Canvas Bag** with vinyl lining includes zippered front access for easy waste or linen removal, holding up to 30 gallons.
- 2** New **Amenity Organizer** enables organization of amenities and supplies. Features removable partitions that can be reconfigured to create up to 11 sections.*
- 3** Users now have **20% greater lockable cabinet capacity** compared to the previous full-size Rubbermaid Commercial Products model.

- 4** New ergonomic **Cleaning Caddy** is ideal for carrying tools and cleaning supplies from the cart into the guest room. Conveniently nests in canvas bag opening.*
- 5** Improved **Stick Good Holders**: Now with five stick good holders and an improved design, users can easily access stick goods without additional effort.
- 6** **Two Modular Shelves** allow users to rearrange shelving based on their storage needs. Top shelf can be used to store glassware racks if needed.

- 7** New **Side Load Linen Bag** with zipper better protects linens and increases capacity for linen storage.*
- 8** Durable and sturdy **Vacuum Holder** ensures upright vacuum will stay in place on cart.
- 9** New **9-Pocket Organizer** increases productivity by providing extra organization for cleaning supplies.*

*These accessories come standard on SKU 2202527 only, but are available to be purchased separately.
