## Single-use Microfiber Mop

### Delivering On-Demand, High-Efficiency Cleaning

EasyMop for floors and walls in all cleaning areas that is fast, easy, effective and responsible.

EasyMop Single-use Microfiber Mops are for customers who demand: hygienic cleaning that only microfiber can offer, but find it hard to organize the necessary laundry logistics.

These mops offer the convenience of single use, combined with excellent cleaning performance. The dense core can hold and distribute more liquid than a typical disposable, covering up to 180 square feet.

EasyMop: the ideal choice for fast turnover without compromising quality.

- Superior cleaning performance
- Reduced risk vs laundered mops being “clean”
- Convenience of disposables
- Comparable performance as launderable textiles
- Excellent reach and feel
