

Diversey™

suma® Multi™/MC

D2

All Purpose Cleaner

Moderately-alkaline, non-solvent, multipurpose cleaner. Concentrated detergent for cleaning of hard surfaces in food premises, including floors, walls, countertops, doors, ceilings and general equipment.

Features & Benefits

- Concentrated detergent for cleaning of hard surfaces in food premises
- Moderately-alkaline, non-solvent, multipurpose cleaner
- Concentrated for excellent cost in use
- Kosher and Halal certified
- Pleasant lemon scent

Applications

- Use on floors, walls, countertops, doors, ceilings and general equipment
- For food plant and other industrial use only

Use Instructions

Spray Cleaning:

- Dilute 1oz. of product per 31 oz. of water (30 mL / 917 mL) in a spray bottle
- Spray surface with solution and clean with damp cloth
- Rinse food contact surfaces with clean water

General Cleaning:

- Dilute product 0.6 to 1.5 oz. / gal. (17 to 44 mL / 3.78 L) of warm water.
- Clean surfaces using a cloth, brush or mop.
- Rinse food contact surfaces with clean water.

Floor Cleaning:

- Dilute product 0.6 to 1.5 oz. / gal. (17 to 44 mL / 3.78 L) in very hot water.
- Apply solution with a mop
- Remove dirt with the mop
- Rinse with clean water and allow to air dry

For Food Plant Use: All food contact surfaces must be thoroughly rinsed with potable water after treatment with this product. Avoid contamination of food during use or storage.

NOTE: When cleaning floors, position wet-floor signs around area to be cleaned. Floors will be slippery when wet or contaminated with foreign material. Promptly clean up spills and foreign materials. Not for use on polished aluminum.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
