

**Code:** 9608  
**Size:** 1.7 fl oz (50 ml) Liquid

# ImmuneAlign™

## With Astragalus and Reishi Immune System Support\*

- Includes ECHINAMIDE® echinacea, a unique plant compound with standardized levels of *Echinacea purpurea*'s three key active compounds
- ECHINAMIDE is extracted from organically Canadian-grown echinacea, with seed-to-shelf GLP and GMP standards
- Proprietary blend of ECHINAMIDE, with plant extracts of lomatium, astragalus, reishi mushroom, and licorice to help support healthy immune function\*
- Tincture allows for easy use, suitable for vegan/vegetarians

### PRODUCT SUMMARY

ImmuneAlign includes a synergistic combination of five clinically important herbal extracts, standardized to ensure optimal concentration and effectiveness. ECHINAMIDE is a well-established formulation of organically grown *Echinacea purpurea*, with standardized levels of *Echinacea purpurea*'s three key active compounds known to support the non-specific immune system and help maintain healthy immunity, as demonstrated in two randomized, double-blind, placebo-controlled clinical trials.<sup>1,2</sup> ECHINAMIDE stimulates the non-specific immune system, supporting total leukocytes, neutrophils, monocytes, and natural killer cell already within the normal range.<sup>2</sup> Its alkaloids help organize the body's response to cellular damage and clear cellular debris, in part by binding to cannabinoid receptors on immune cells.<sup>3</sup> The polysaccharides and polyphenols support cell-mediated immunity and help maintain secretory IgA levels already within the normal range.<sup>4</sup> While meta-analyses typically support the use of echinacea for the maintenance of immune health, standardization of its key components is essential to ensure consistent benefit.<sup>5,6</sup>

This formula also includes lomatium and reishi mushroom extracts, plants with a long history of traditional use for immune support, as well as licorice and astragalus extracts, both shown to act synergistically with echinacea to induce greater CD69 expression, an indicator of immune support.<sup>7</sup> In addition to immune support, the herbs also have adaptogenic function, supporting their combined use for maintaining healthy immune function and supporting upper respiratory health.<sup>8-10</sup>

## Supplement Facts

Serving Size 1 dropperful (1 ml)

	Amount Per Serving	% Daily Value
Proprietary Blend	1 ml	**
ECHINAMIDE® <i>Echinacea purpurea</i> * fresh liquid extract 8:1 (aerial & root)		
Reishi Mushroom ( <i>Ganoderma lucidum</i> ), fresh extract 1:1 (whole fruiting body)		
Lomatium ( <i>Lomatium dissectum</i> ), fresh extract 2:1 (root)		
Astragalus ( <i>Astragalus membranaceus</i> ), fresh extract 1:1 (root)		
Licorice ( <i>Glycyrrhiza glabra</i> ), fresh extract 2:1 (root)		

\*\* Daily Value not established.

Other ingredients: Pure grain alcohol (40%).

**Serving Size:** 1 ml

**Servings Per Container:** 50

**Suggested Usage:** 1 dropperful (1 ml) every 2–3 hours for acute needs or 1 dropperful 2 times per day for regular immune support\*, or as directed by a health care professional.

**Caution:** Consult your health care professional prior to use if you are pregnant, trying to become pregnant, breastfeeding, taking medication, have a medical condition, or anticipate surgery. Keep out of reach of children.

**Contraindication:** Echinacea products are contraindicated in those requiring immune suppression (such as organ transplant recipients), and should be used with caution in those with autoimmune disease. Individuals with atopy are more likely to have a hypersensitivity to echinacea. Licorice consumption should be carefully monitored in those with hypertension and/or hypokalemia.

**Drug Interactions:** No known drug interactions exist. Echinacea is also a weak inhibitor of CYP1A2 and a minor inducer of CYP3A4, and may have slight effects on drugs metabolized through these pathways.

**Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans.** Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
