

# Easy Paks®

## All Purpose Cleaner/Deodorizer

Concentrated powdered compound that effervesces quickly in water to produce a cleaning dilution for a variety of surfaces.

### Features & Benefits

- Pre-measured packets make it easy to use
- Storage tub saves space and weighs less than 3 lbs
- Specially-formulated to loosen and remove stubborn soils on virtually any hard surface
- The effervescing action and water guarantee that both the cleaner and the packet will dissolve quickly and completely

### Applications

- Effective all purpose cleaner can be used on hard surfaces such as stainless steel, chrome, porcelain, ceramic, and quarry tiles, terrazzo, linoleum, vinyl, marble, concrete, and painted surfaces

## Use instructions

Easy Paks® All Purpose Cleaner/Deodorizer is a concentrated powdered compound that effervesces quickly in water to produce a cleaning dilution that can be varied to meet your individual needs.

- Select proper dilution strength (see below).
- Add packet to warm or hot water and stir gently to form a uniform solution.
- Apply solution with mop, cloth or sponge.
- **For Light Soil:** Add one packet to 4 U.S. gallons/15 L of warm or hot water.
- **For Routine Cleaning:** Add one packet to 3 U.S. gallons/11 L of warm or hot water.
- **For Heavier Soil:** Add one packet to 2 U.S. gallons/8 L of warm or hot water.

**Note:** When cleaning floors position wet-floor signs around area to be cleaned. Floors will be slippery when wet or contaminated with foreign materials. Promptly cleanup spills and foreign materials.

**Note:** Do not remove packets before use. Do not handle packets with wet hands. Reseal container.

KEEP FROM FREEZING

CONTAINS NO PHOSPHORUS

## Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
