

Magic Rust

70D2

Spot Remover - Iron and Rust

A ready-to-use blend of solvents and other cleaning components designed for the effective removal of discolorations caused by rust or tannin stains.

Features & Benefits

- Effectively removes rust and iron stains
- Specially formulated for use in commercial and on premise laundries
- Extends linen lifetime
- Highly concentrated to limit the impact on the environment

Applications

- Apply directly to stain prior to washing
- Use on most types of fabric

Clax[®] Magic Rust

Spot Remover - Iron and Rust

Use Instructions

Clax[®] Magic Rust is intended for use directly, as supplied. Do not dilute prior to use.

- Place stained textile on a clean work surface
- Carefully saturate the stained area with Clax[®] Magic Rust prespotter
- Gently scrape or otherwise work prespotter into the stain
- Allow to sit for 5-10 minutes, but never for longer than 15 minutes
- Rinse, then launder normally
- Avoid contact with metal surfaces

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
