## SUN SAFE SHADE

### Versatile shade solution

The Taylor Made anchorshade III is perfect for use while anchored in calm winds, and the included carrying case with convenient shoulder strap makes it easy to take to the beach.

### Durable design

Keeping in line with the high-quality standards boaters have come to expect from Taylor Made products, the Anchorshade III is built to last. The marine-grade nylon is stretched over durable fiberglass structural ribs and a powder-coated aluminum frame.

### Easy set up

The powder-coated aluminum pole features a four-point locking height adjuster that extends up to 8', so whether you're standing on the boat or lounging on the beach, the shade keeps the sun at bay.

### Trusted brand

Taylor Made is a proud member of the Lippert family, a global manufacturer and supplier of engineered products for the RV, marine, automotive, commercial vehicle, and building products industries. At Lippert, our commitment to our customers is always moving forward, always making your experience better. Choose Taylor Made®.
