

NEOGRIP™

Round Base Magnet

Exceptional Strength and Protection

Hang, hold or attach a wide variety of items with this powerful neodymium round base magnet. The unique rubber gripping liner increases vertical shear strength, while protecting surfaces from scratches. Easily attach a hook, eyebolt or nut to customize holding options and attract to any flat ferrous metal surface. Ideal for use in warehouses, garages, manufacturing facilities and offices.

Features

- *Magnetic on one side only*
- *Non-scratch rubber gripping liner*
- *Increased vertical shear strength – no slipping!*
- *Powerful neodymium magnets, extreme strength in a small size*
