

SV24-3

Class 3 / Level 2
Two Tone Breakaway
ANSI/ISEA 107-2010

Class 3 safety vests are designed to provide the maximum degree of high visibility protection. Radians Class 3 vests are designed with the necessary amount of reflective material for the greatest nighttime protection while utilize a contrasting trim design to maximize daytime visibility. Class 3 vests are required in environments exposed to high speed traffic or complex situations where a workers task does not allow them to look out for traffic hazards.
