

Biomor™

MULTI-PURPOSE Cleaner No Added Fragrance

This microbial based formulation contains a proprietary blend containing bacterial spores designed to breakdown and digest organic matter. It has enzymatic activity that provides outstanding breakdown of starch, carbohydrates, fats, oils and grease. This product will achieve superior cleaning and odour control. This product is great for daily cleaning of garbage bins, compactors, refuse area and bathrooms including floors, urinals, walls, and toilet bowls.

Features & Benefits

- Effective as an all-in-one cleaner and odour control agent for multiple applications
- It has enzymatic activity that provides outstanding breakdown of starch, carbohydrates, fats, oils and grease
- Ideal for odor control in garbage bins, compactors, refuse storage areas and bathrooms including floors, urinals, walls and toilet bowls

Applications

- Ideal for institutional, industrial and foodservice use
- Use for daily routine cleaning

Biomor™

**MULTI-PURPOSE Cleaner
No Added Fragrance**

Use instructions

SHAKE WELL BEFORE USE. Do not mix with sanitizing agents.

Heavy Duty Applications: Dilute 24 to 32 ml/l of water (2 to 4 oz/US gal). Spray directly onto the surface. Leave wet for about 5 minutes then wipe clean. Repeat as needed for tough soils.

Medium Duty Applications: Dilute 13ml/l of water (1.7 oz./ US gal). Spray directly onto the surface. Leave wet for about 5 minutes then wipe clean. Repeat as needed for tough soils.

Light Duty Applications: Dilute 7.5ml/l of water (1 oz./ US gal) of cool or cold water. Spray directly onto the surface. Leave wet for about 5 minutes then wipe clean. Repeat as needed. For glass, spray microfibre or cleaning cloth and clean glass immediately. No waiting is required.

To increase the performance of this product, it must be used on a regular basis.
