

DYNAREST™ FOAM MATTRESSES

Tri-Layer Foam Mattresses

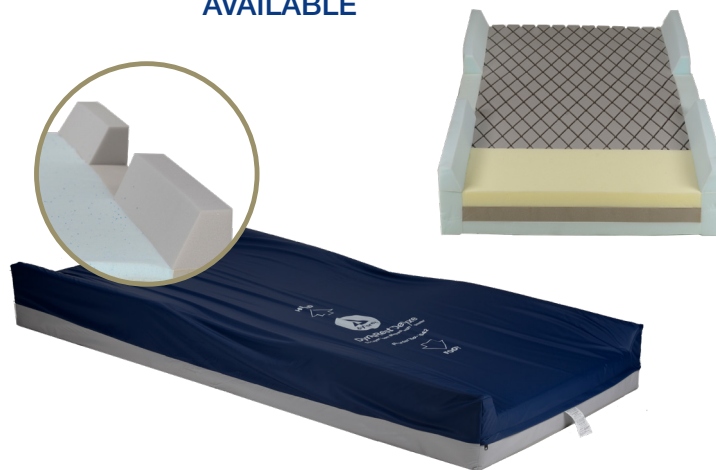

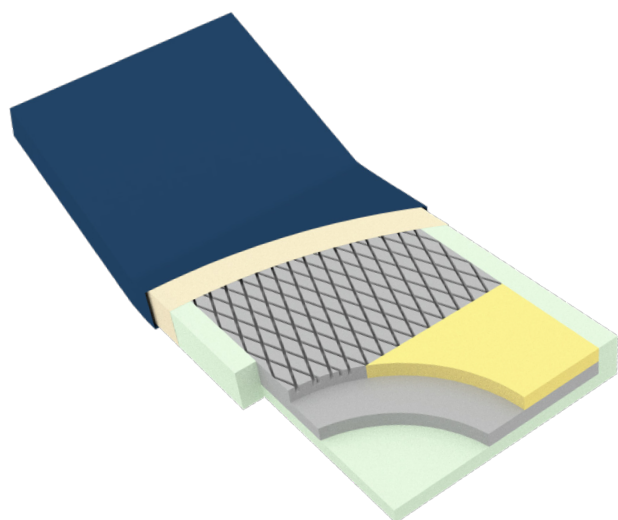

WE CARE LIKE FAMILY™

FEATURES AND BENEFITS

- Constructed from three layers of variable density foam
- Top layer features precision diamond die cuts for improved pressure distribution
- Memory foam heel zone helps reduce pressure wounds
- Removable, fluid resistant cover is easy to maintain, reduces perspiration, and provides low shear friction
- Anti-contamination zipper located beneath the mattress helps reduce foam core contamination
- Equipped with fire sock to meet Flame Retardant CFR 1632 and CFR 1633 standards
- Weight capacity 350 lb.
- **HCPCS: E0184**
