GOOD CLEAN FUN

Made with gentle, skin-safe, ingredients and mild fragrance.
Safety tested – to meet or exceed children's product safety testing standards.

Using these products on grout, marble, painted or porous surfaces is not recommended. Product may stain or be difficult to clean. If you are unsure, test on a small area first.

As with any bath product, avoid contact with eyes, nose and mouth. If individual skin sensitivity occurs, discontinue use, and rinse affected areas.

Soap components should be completely dissolved before draining the tub. Use warm water to melt any remaining soap or scoop out and discard.

WARNING :

CHOKING HAZARD - Small parts.
Not for Children under 3 years.

WARNING :

DO NOT APPLY AROUND EYES

Quack, Quack it's time for a bath! Ask Arty the Duck to join you in the tub for a creative sensory adventure.

FILL THE TUB – Ask a grown-up to run warm water.

SENSORY SQUISH & PLAY – Press the wet soap noodles together to create a squishy soapy clay. As the noodles dissolve, enjoy the foamy bubbles.

PAINT & DRAW – Use the soap paints and crayons to create your own abstract art on your skin or on the tub. Use the lever to push the crayons up as needed.

BUBBLE & BLEND – Mix the soap noodles, swirl the water, add the color changing tablets to create a multi-sensory bath time celebration!

RINSE & REPEAT – When you're done, just rinse off and start fresh next time! If any of your Bath Art supplies have not completely dissolved, use more warm water and a little extra scrubbing.
