

20" Traction Drive Walk-Behind Scrubber

The Sentry 202T boasts a complete set of features, including a traction drive system. It excels in various environments including retail, education, and healthcare facilities. With a noise level of only 62dBA, it comfortably accommodates day-cleaning schedules. Its versatility and low noise make it an excellent choice for professional cleaners.

- Highly productive: Clean up to 35,500 square feet per hour. Its generous 10.6 gallon solution tank allows operators to get more done with fewer trips to refill the machine.
- Exceptionally Quiet: At 62dBA, the Sentry 202T stands out in its class. Suitable for day-cleaning and healthcare environments.
- Eco Mode: A single button push puts the machine into a water saving mode that reduces cleaning solution usage, energy, and noise.
- Extensive Feature List: The Sentry 202T has a robust set of features, including hygienic tanks, front and rear fill ports, breakaway squeegee design, corrosion resistant brush deck, and more.
