

Soft Care Instant Hand Sanitizer AF

Alcohol-Free Foam Hand Sanitizer

Soft Care Instant Hand Sanitizer AF is a benzalkonium chloride based instant hand sanitizer enriched with skin conditioning emollients to keep skin soft and protected against irritation. Dye-free and alcohol-free, it is a preferred option for those facilities who do not desire alcohol based products.

Features & Benefits

- Alcohol-free formulation for use where alcohol-based hand sanitizers are a concern
- Safe, quick and effective hand rub helps reduce the spread of germs
- Skin softening emollients leave hands soft and with no sticky residues
- Dye-free, reducing potential skin irritation and allergic reactions for users with sensitive skin
- NSF E-3 certified for use in food handling establishments

Applications

- Great for use in restrooms, and public areas found in retail, food handling establishments, schools, prisons, healthcare facilities, offices and fitness centers

Soft Care Instant Hand Sanitizer AF

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
