

LEWMAR®

ANCHOR STORAGE BAGS

Keep your anchor and boat protected between trips with the Lewmar anchor storage bag. Constructed using tear-resistant 1050 denier ballistic nylon, this anchor bag offers a protective barrier against the elements, preventing rust and damage.

UNMATCHED CONVENIENCE, PROTECTION & ORGANIZATION

Water repellent

Water-repellent nylon anchor bag features a robust protective barrier, shielding your anchor from moisture and potential damage

Portable design

This anchor bag boasts a convenient carrying handle, offering unparalleled convenience while transferring to and from the boat launch

Tough construction

Tear-resistant construction ensures durability even in rough conditions, while the space-saving design keeps your gear organized
